

ABOUT US

FDR Social Care Ltd is a Flexible, Dynamic and a Reliable independent **CQC Provider** and **Recruitment Agency** that specializes in the recruitment and placement of experienced Healthcare Assistants, Support workers and Nurses. FDR Social Care provides a distinctive service that offers great consistency without compromising the quality of service offered. Our services include recruiting **Health Care assistants and Support workers** to work in the following areas

- Domiciliary Care
- Learning disabilities, Autism and additional needs
- Hospitals & Nursing Care homes
- Mental health Support facilities
- Live- in Care
- Complex Care
- Companionship Care
- Dementia Care
- Re-enablement Care
- Support for younger people from 17yrs.

We strive to provide high standards care and support staff to all our clients and contactors. FDR is overseen by qualified social workers who are part of the Board of trustees that provides Strategic directions and has a breadth of knowledge and experience in health and social care sector, safeguarding adults and business management. FDR offers **24 hours a day, 7 days a week** care and support staff and we respond swiftly to adhoc staff requirements and we can cover short term requirements for example **sick covers, holiday covers, emergency covers as well as long term staff requirements.**

Tel: 01604946310 / 07393585427 / 07393 956384; **Email:** info@fdrsocailcare.co.uk.

We aim to provide the highest flexible and reliable standards to all our clients by specifically meeting their diverse needs while highly respecting their individual rights and choices. Our desire is to achieve our service delivery by maintaining a high level of professional standards of excellence which will continuously embrace the basic principles of Good Care Practice.

Our staff are rigorously trained and experienced to offer a service that is responsive to your expectations as well as safe and a caring service. All our staff **MUST** have relevant trainings, DBS, Right to Work in the UK, Double Covid immunization, and must have verified references.

Our service also involves regular supervision of all our staff, refresher trainings to match the market and regulatory needs and also audits to make sure that our service matches all our client expectations and also obtain valuable feedback from those using our service for improvements of our service delivery. We ensure that due to Covid-19 pandemic we ensure that all our staff are immunized and are constantly tested and also strictly adhere to PPE requirements and government guidelines too.
